Principal of Sheldon-Williams Collegiate
from 1956 to 1970

Principal's Message

In the Principal's message for the first yearbook, Opus '57, I stated that on the Opening Day September 4, 1956, "Sheldon-Williams was an incomplete building, peopled by students and teachers. It was not a school".

Fourteen years later, all this has changed. The building was completed, and it has even been altered by the installation of study carrels and conference rooms in what was originally the study hall, Room 12. There has been a strong growth of school spirit over the years; a feeling among students that they belong to, are a part of, an institution of which they have reason to be proud. This sense of belonging also permeates the staff. Rarely has one sensed so much of mutual trust and respect, of solidarity, of true friendship, in any high school staff.

Truly, in its first fourteen years, Sheldon-Williams has developed proud traditions! High levels have been achieved in scholarship; in music and drama; in athletics; in service to the school, to the community and far beyond; in student government; in creative leadership and the assumption of responsibility by students.

With what a fine staff we opened school, fourteen years ago! Many teachers have come and gone (some one hundred and thirty-five teachers have been or still are teachers at Sheldon-Williams). Many of these have been truly outstanding. Sheldon-Williams has acquired some reputation as a school willing to experiment, but cautiously clinging to what has seemed good. It is the scholarly and creative and dedicated teachers, working with a most responsive and loyal student body that have given Sheldon-Williams its character and quality.

I wish to compliment the present graduating class, as I have so many in the past, on their attention to their studies and to the many other activities that make up the life of the school. I thank them for the support they have given the Principal and Staff. I wish them life's richest blessings as they leave these halls.

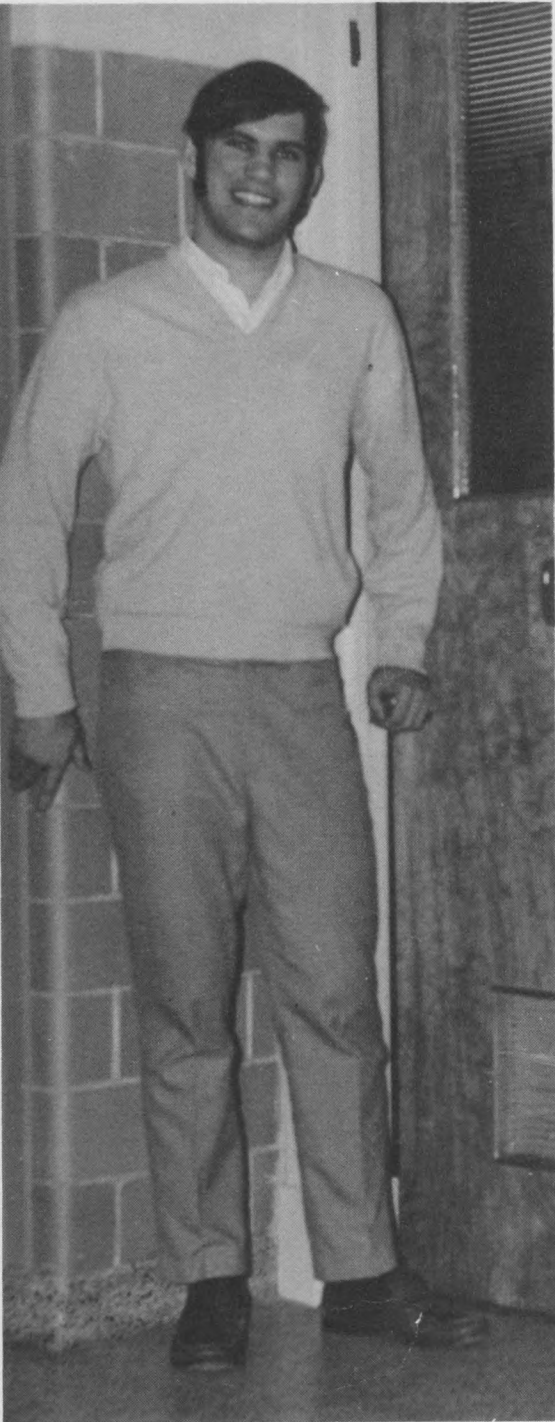

Au Revoir

My personal farewell as I, too, leave these halls.

I am grateful for having had the opportunity of giving leadership in this school for the past fourteen years. I shall take with me the recollection of many golden friendships with my students and my teachers. If I have been able in some way to serve the students and teachers in Sheldon-Williams during these years I am content.

J. R. A. Pollard,
Principal.

President's Message

Well, by the time everybody reads this, the school year will be over, and the 1969-70 S.R.S. will be dissolved. Speaking for myself, it's been a wonderful year; sometimes good, sometimes bad and sometimes pretty wild (as anyone who has been in one of the patented, laugh-in type fiascoes which cropped up all too frequently, can verify). In spite of this, or maybe because of it, this has been one of the most productive years a Sheldon S.R.C. has had.

As suggested last year, Freshie week was postponed a week so that it could be better organized. There was a meeting between the Executive and the Freshies in an attempt to make them feel more at home. This has been the first year of operation for the Educational Directorate, and, under the able direction of Stuart Garvin, it has made many suggestions which were implemented. I'm sure I reflect the attitude of the entire student body when I say thank you to Stu. for doing a really tough job so well.

In the early part of December, the U.N.E.S.C.O. organization sponsored a starve-in to raise money for building schools in Ceylon. Entrants were to go without food for 15 hours. The results were phenomenal — \$2,200.00 for the project. This is entirely in keeping with the Sheldon tradition of all-out endorsement of worthy projects. As the only U.N.E.S.C.O. group in Regina, ours has distinguished itself on an international scale.

Further showing the concern of Sheldon students for world problems was the Conference on Population Explosion. This two day conference used various interesting speakers to put the implications of the problems across. On the lighter side there was also a light show and coffee house. All who attended enjoyed themselves.

In keeping with the policy of Sheldon-Williams to allow students more responsibility, the dances this year were student supervised. As well, at the Miss Sheldon Dance, a smoking lounge was located in room 2. Everything went off very well and I am sure that the idea of a smoking lounge at dances will continue.

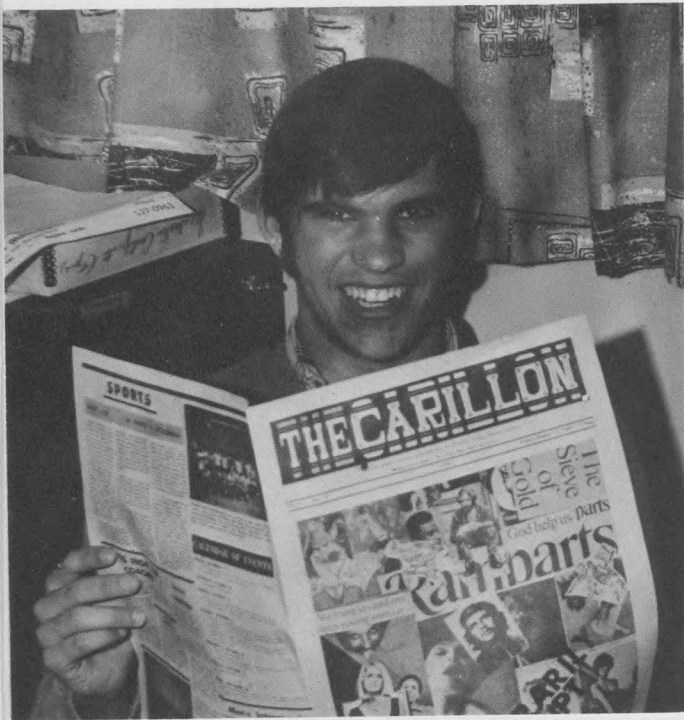

Another new feature at Sheldon this year was the installation of two soft drink machines. These may be used by any student at noon or after school and in their spares by the seniors. Up to this time there has been no problem with these machines and I know there will not be in the future.

Our operetta this year was "Annie Get Your Gun", and the best I've seen. Congratulations to the cast and crew and especially to Darcy White and Clayton Johnstone for a fantastic production. Congratulations also go to Dr. Peart and Mr. Burgess without whom the show would have been impossible.

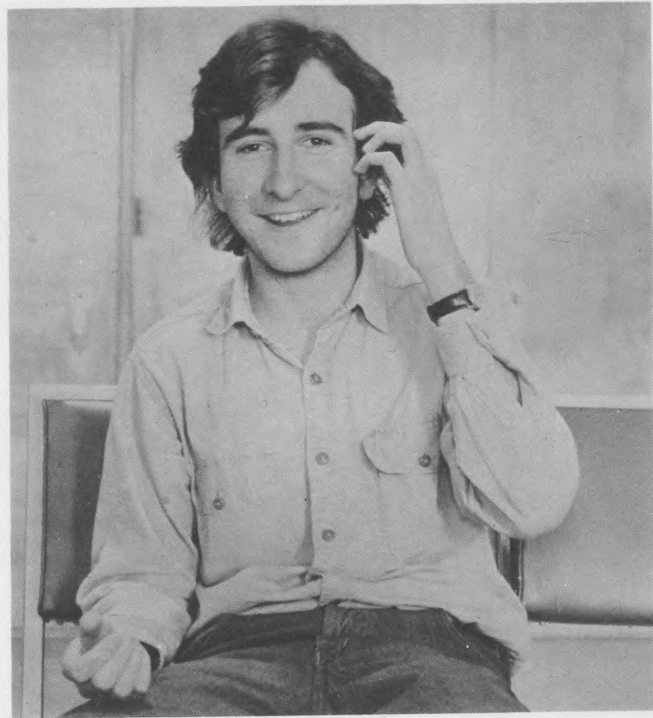

In closing I would like to express my appreciation to everyone who helped me and the S.R.C. throughout the year, but I can't. The list would be too long. So I will say a special thanks to Mr. Armstrong, Mr. Schrader, Mr. Philpot, Mr. Pollard and the Executive without trying to say how much their help and experience meant to me and, for the rest; I couldn't have made it without you. Good Luck to next year's S.R.C and Bon Chance to those writing departmentals!

Alpha House

This year could have possibly been the best year Alpha has ever had. However, indifference and lack of enthusiasm and participation by some students, set back the work of the enthusiastic. The grade 9's proved to be perhaps the best form in the school, and the grade 10's also came through with a surprising amount of spirit. Unfortunately, the grade 11's and 12's did not match this spirit.

Alpha enjoyed a mixed year in athletics. The senior boys did fairly well in all sports, as did the junior boys. Because of the poor participation from the grade 11 and 12 girls, the senior girls' teams were constituted mainly of grade 10 girls with the junior teams being completely grade 9 girls. The senior girls proved to be a contender in every sport and won the basketball championship. The junior girls also had a successful year. More victories are expected in floor hockey and track! Thanks to Ken and Renee for their contribution in sports this year.

In Music-Drama, Don Chatwin produced "Couldn't I Kiss You Goodnight". It was well received by the audience, and my congratulations go to the cast and Don Chatwin, whose patience and ability made the play a success. Alpha also fared well in the house-play tickets by placing first.

Joan Tidball did a fantastic job in the social directorate helping to decorate and organize dances. Joan also was one of the prime forces to the success of the Senior Prom.

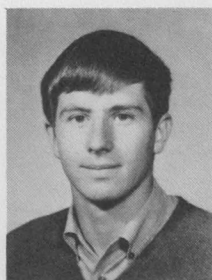

Heather Amundrud did an excellent job in activities this year, and organized a showcase that will be remembered. Also in the accomplishments of Alpha's activities department was the winning of a mascot in a school spirit day.

My Thanks also go to Betty, Ted, Terry, and Liz the grade reps, who proved to be assets to our house. With a strong cornerstone to build on, like our grade 9's and 10's Alpha could well be a power in the future. Good luck and all the best to the House Executive and the students of Alpha next year.

Beta House

Mr. Badham
House Master

Ever since the first of the year, Beta has been in first place with not quite a comfortable lead over second place Omega.

The answer to our success this year is our domination in sports.

Under the leadership of Wayne Thomas, the boys' teams have proven their superiority to the other houses. One November noon hour with two feet of snow on the ground, the Beta boys defeated Kappa in the final of house football. Both junior and senior boys' teams placed in basketball this year. With no competition in volleyball, the seniors won every game including the finals. The juniors also dominated their league but lost in the finals to Omega. Not only the boys, but the girls have done well in house sports. Under the direction of Denise Bean the girls have placed in every sport this year. The senior girls were undefeated in the volleyball league but lost to Omega in the semi-finals. The junior girls have had a little bad luck in sports this year, but their spirit was shown throughout the year with no defaults. Our success in sports, was shown throughout the year by only having one default. This showed that Beta had the spirit to go out and win.

With track and field ahead of us, I predict that this will put Beta House in quite a comfortable lead over the other contending houses.

Thanks, Denise and Wayne for doing a fantastic job.

However, house spirit was not what it should have been especially in the area of ticket drives and dances. Only by the work of the house executive did we place in ticket sales. The best dance for Beta was the Freshie Dance when we placed second in attendance. I would like to thank Beta's social rep. Lorna Tate for doing a great job.

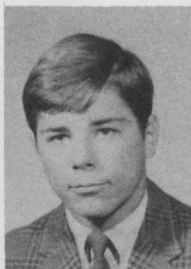

At the present, Beta is planning to put on a showcase under the direction of our activities rep. Patty Richter. Thanks Patty for doing a great job during the past year.

In Music-Drama, Donna Johansen directed "The Dear Departed". Although the play did not place in the top three it was well received by the audience. Thanks again to Donna and all the people who participated in the play.

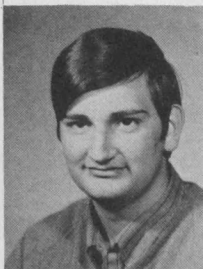

I would like to thank the room representatives: Doug, Janice, Ernie and Rich for keeping the house informed on S.R.C. business.

Even though Beta has been in first place for the past seven months, the spirit shown in our house is poor. I hope next year everyone will work together instead of leaving it for a few individuals. Finally, I would like to thank people in Beta for giving me the opportunity to work with them. Best of luck and make Beta the best house in Sheldon in 1971.

Support has always been a trademark of Omega's and this year, expounded with our ability, we have shown our colors in many fields.

Support and ability were shown right away as we placed second with our house play "Summit Conference". We also placed first in house play ticket sales. Thank you, Joan Hambly for a fine year in drama.

In sports we had a lot of ability and support. This can be shown by our fine records in such fields as senior boys' basketball, junior boys' volleyball, senior and junior girls' volleyball. The persons who enlisted and promoted sports did a fine job. Hats off to Shelley Parr and Terry Tuepah.

In activities Heather Thomson did a fine job. She presented one of the BEST showcases of the year.

In social, Renee Borland again showed Omega's support in school dances. Renee also helped organize school dances and the Senior Prom.

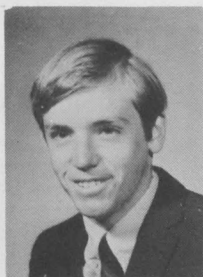

Thanks also to the Grade Reps Neil Jacoby, Bev Ballou, Tim Gofine and Patti Joorisity.

Mrs. Lee, our house mistress gave us much needed pushing, advice and help throughout the year.

Delta House

Delta's year of '69 - '70 has not been a good one. From a fairly good start in the first months we have dropped steadily to our present low standing. Much of this can be attributed to lack of spirit in the house as a whole.

In intramural sports this year Delta has not fared well. Many of our losses were the result of defaults. This is an area that should be improved on next year. Our senior girls have been our only victors to date with wins in softball and floor hockey.

Thanks to Robin Evans and Jim Ferguson for their work in organizing teams.

In activities Susan Snell deserves thanks for her efforts in trying to organize a showcase which unfortunately died from lack of support.

In drama a special thanks to Darcy White, music-drama rep., and all the cast of our house play "The Proposal" for all their time and effort. Although it didn't place in the top three, the general opinion was that it should have.

Special thanks to our social rep Wes Britton. Through his efforts Delta has finished first in attendance at all dances to date.

I would like to thank my grade reps, Glennis, Zora, Byron and Colleen for their good attendance at S.R.C. meetings and for their reporting to homerooms.

Special thanks to Mr. Girgulis, house master, Mr. Kitson, Mr. Burgess and Mr. Betteridge for their help throughout the year.

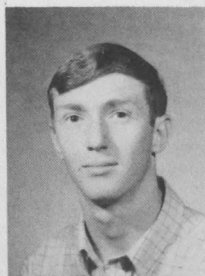

I hope that future members of Delta will take full advantage of the opportunities provided by school activities and by doing so, make Delta the great contender it has been in past years.

I would like to wish the next executive good luck and hope that '70-'71 will be a better year for Delta.

Epsilon House

Mr. Boychuk
House Master

This past year has been a successful one for Epsilon. We all developed an increased pride in our House through projects such as the Hallowe'en Happenings, the Epsilon Sock Hop, and our own attendance system. Executive and Mr. Boychuk our Housemaster, deserve our thanks for all their help in the projects.

In the conventional activities we fare pretty well. Boys' sports saw Epsilon come second in Sr. Basketball and volleyball and fourth in Jr. Volleyball. Our Jr. Girls won basketball and volleyball and the Sr. girls placed second in floor hockey. Congratulations Jamie and Laurie for your fine work.

Colleen Kells our Music — Drama rep did a great deal for us by directing our House play, "Sunday Cost Five Pesos". Epsilon was rewarded by a third place finish in the House Drama Festival. Salome, Tonia, the Celestina and Ken Evans on lighting made it all possible.

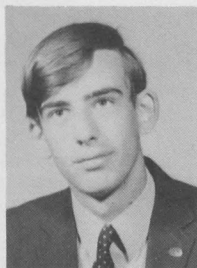

Social and activities were admirably represented by Barb and Conny. Conny took a few sewing lessons and came up with the Epsilon "Grog" our house mascot and at the time of this counting she is working on our house showcase. Barb deserves a lot of credit not only for social but also for her help on ticket drives, the showcase and her ideas.

Epsilon House thanks Mr. Boychuck without whom our attendance system might not exist. His ideas and help guided us throughout the year.

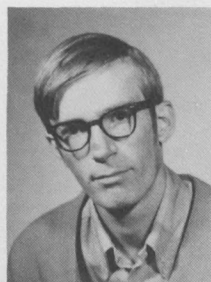

Of course, I can only try to put down on paper a whole year of work, fun, disappointments and hopes we had as a house. I can only say that each individual in the House deserves credit for making Epsilon what it was this year and in my opinion, it was the best House going all year.

I wish next year's executive all the best of luck and hope that they will find it as rewarding and enjoyable as I have.

Kappa House

Janice Gordon
House Leader

Mrs. Smith
House Mistress

Kappa got off to a fairly good start this year with a second in Freshie Dance attendance and a third in football ticket sales. This put us in third place, although we were soon to drop back to almost last place due to lack of spirit.

In November Bob Rilkoff, Kappa's music-drama rep., directed the play "French Toast", and although it did not place in the top three, the comedy was thoroughly enjoyed by all. Congratulations and thanks to Bob and the cast for doing an excellent job.

The field of athletics proved to be Kappa's major downfall, for points were lost constantly as the girls continued to default in almost every sport. The boys too, showed lack of spirit as the juniors defaulted out of the basketball league. Victories were won, nevertheless, our wins could not keep pace with the endless number of defaults and Kappa dropped back to fifth and then seventh place. With the start of the floor-hockey season, the girls began with their usual lack of interest, but now, with the help of Arlene Reed to urge the girls to play, attendance has improved. The boys have a very promising team and will, no doubt, capture first place. I would like to thank Jim Cowieson and Wendy Mitchell for trying their hardest to rouse enthusiasm and get the kids out for their games. Thanks also goes to Arlene Reed for all her help.

Heather MacGowan did a great job as Social rep. this year, by not only convincing the "Kappa Kids" to come out to all the dances, but also, representing Kappa House as a candidate for Miss Sheldon. Dance attendance was always good and so far we have placed in every dance except one. Thanks again Heather.

Activities, this year, were ably directed by Keith Bertram. We have placed first, second and third in various ticket sales, although the spirit did sometimes lag on the ticket drives. Thanks to all those who gave their support.

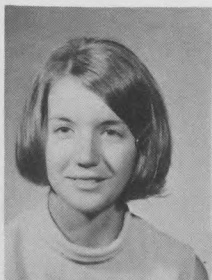

1970 started off with a bang as Kappa blessed the students of Sheldon with a fine display of wit and talent in a showcase of unequalled quality. Many thanks to Keith and especially to Judi Milliken for her undying enthusiasm and brilliant ideas.

After this Kappa pulled past Delta to not only secure sixth place, but also win the Pollard Trophy for the month of February. We now seem to be on the upgrade and with an all-out effort in the few remaining months, Kappa may still rank among the top.

I would like to thank the S.R.C. reps, Roanne, Barb, Brian and Barb, for all the work they have done and also special thanks to Mrs. Smith, our house master.

Kappa House has great potential and I'm sure that with a little more spirit she will prove to be a strong contender for the Pollard Trophy in the years to come. The spirit, enthusiasm and support of every member is the answer to victory, so let's get out there in 1971 and really show what Kappa can do!

Karen McLeod
House Leader

Mr. Cochran
House Master

So far this year Lambda has done very well. We are now in fourth place and track season hasn't even started yet.

Mr. Cochran, our house-master, has made a valiant effort to get us into first place. He has worked hard all year, and this is our chance to thank him for his patience and perseverance.

Our grade reps Brian McLeod, Bob Hain, Bruce Johnston and Laurie Thorsteinson, grades 9, 10, 11, and 12 respectively, have faithfully attended the S.R.C. meetings every Thursday noon. They have done a fairly good job in letting us know about the school business concerning us.

Our best endeavor this year was the ticket sales. We were tops in the Fall Show and Operetta, which are 2 of the 3 ticket drives held throughout the year. This accomplishment was more luck than anything else. On three attempted ticket drives we got a maximum of three people each time. Our spirit will have to improve greatly if we want to stay near the top and out of eighth place.

Our house play did not win any prizes but everyone enjoyed performing in it, and the audience was adequately entertained. My thanks to Susan May for all her hard work and worries. She had to take over the job in September because the old rep did not return to Sheldon. She did an excellent job of filling in.

Our house has not done too well in interhouse sports. The junior teams are showing far more success than the senior teams. Unfortunately both boys' and girls' teams have had one or more defaults each. This is totally unnecessary and we are losing many valuable points.

Our sports reps Lynn Cronk and Jake Walsh have done a good job of prodding our reluctant athletes into action. Hopefully, we'll have no more defaults this year and we will do well in track.

Our social rep Barb Dahl has worked hard all year planning and decorating for dances. It's too bad not many people in our house have seen the results — we have placed last in attendance in two of the dances this year.

Our activities rep Fay Hutchinson has contributed to her directorate in their efforts to boost school spirit. She is now in the process of producing a House Showcase.

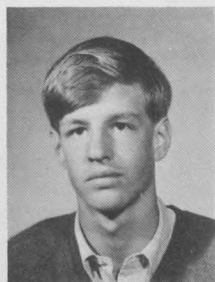

Sheldon students have shown their spirit in this years U.N.E.S.C.O. "starve-in". The participation was excellent, and more than four times the objective was earned. This is true to Sheldon tradition.

I am proud to be a student of Sheldon-Williams and to be Lambda's houseleader for the year 1969-70. Good Luck next year.

Mr. Evans
House Master

Sigma House had a weak start this year, but we proved that you just can't keep a good house down. As of now, we have pulled up from last to third place, with three months left to go.

I want to give special thanks to Janet and Steve for working so hard to raise the spirit and support that Sigma needed in house sports. We placed in many of the sports, but our biggest victory was winning ticket sales for basketball season tickets. Steve gets most of the credit for that.

The highlight of the fall season was Sigma's house play, "The Sandbox", which won first place. Congratulations to Joanne and to those who took part and thanks to Mr. Mitchell for his help.

Sigma is not a particularly sociable house, and it shows in our dance attendance, but not in our social rep. Debbie has worked very hard on the various social committees, and I should also mention that she was named Miss Sheldon.

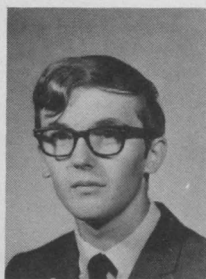

Ideas have been flying around the activities department all year, and will soon come together in a showcase. Thanks to Alex for the work she's put into making our house an "active" one.

I want to thank my every-faithful S.R.C. reps. — Susan, Bev, Joan and Jim — for carrying out their duties so well, and for all the help they have given me.

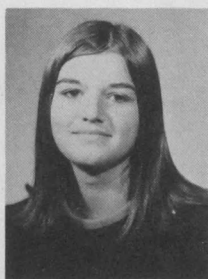

Very special thanks go to Mr. Evans, Sigma's House leader, for his patience and encouragement. Thanks also to Mr. Nordhagen, Mr. Oleson and Mr. Pout-MacDonald for letting me wander in and out of their homerooms at will at go about house business.

SOCIAL

Sharon Crosby
Social Directoress

Social

Working on the Social Directorate has been quite an experience. I had a great time and really benefited from my year in office.

The planning of every dance was a team effort. I would like to thank the eight social reps for their many hours of hard work and Mr. Boychuk for his many hours of worrying.

The year began on September 9 with a record hop to get to know the freshies.

The first and best dance of the year was held September 11. The Freshie Freak-Out brought nearly 600 students, a fabulous attendance. The highlight of the evening was the crowning of freshie king and queen — Paul Broderick and Barb Storla.

In November the Rag Bag Drag with the Mudd was something out of the ordinary. The students wore what they wanted and they all had a good time. Thanks to Mr. Betteridge and his art crew as the decorations were fantastic.

Sheldon's football team were our honored guests and Wayne Thomas was named Mr. Football. This was the first time the guest list had been extended to the grade 10 students. The privilege was very much appreciated and should be continued next year.

During the next month many meetings were held and as a result Sheldon was given a smoking lounge for the dances — on a trial basis.

The dance on February 19 honoured our 8 House Queens. Debbie Isman, Sigma's Queen was crowned Miss Sheldon 1970. The smoking lounge, which we had longed for, worked very well.

Two band concerts in March helped to relieve a boredom which seems to develop this time of the year. On March 25 The Charlotte from Regina entertained and on March 25. The Gainsborough Gallery from Calgary did likewise.

The last dance is just being planned and the elections will soon be under way.

My thanks to all the students who supported the dances and concerts and to those who helped with supervision.

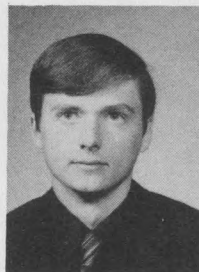

Best of luck to next years social directorate.

ACTIVITIES

Judi Milliken
Activities Directoress

Activities

The Activities Directorate got off to a good start this year with a pep rally in the gym. Mike Broderick, emcee introduced Mr. Young, our football team and cheerleaders. In mid-October, we held another pep rally, with special guest Ron Atchison. The troll dancers entertained. The day of the Spartans game against Marten,

a Spirit Day was held. Alpha, the house judged to be best dressed in red and gold, was awarded the new mascot, a red and gold donkey.

Meanwhile, the Activities department was kept busy with a Newcomers' Tea for all the students new to Sheldon. A flag-raising ceremony was held in early October to commemorate the unveiling of our new Saskatchewan flag.

Hallowe'en brought a fund-raising concert given by Charlotte, at noon. It netted \$180 for Unicef. Once again this year, the Activities Directorate took charge of poppy sales in the houses and collected about \$50.

A noon hour pep rally in the gym ushered in basketball season. Emcee, Terry Tuepah, introduced our teams to the students. A game was held between the cheerleaders and an "all-star" team comprised of some of Sheldon's superstar basketball players. The Junior Boys' Tournament once again brought a Spirit Day and pep rally in the gym. Mr. Sikora and the members of the team were interviewed along with the teams' "girl friends" who were sitting in the audience. Sigma House was awarded the mascot for being the most colorfully dressed.

Just before Christmas, the Social and Activities Directorates jointly held a candy sale. Our directorate used the money to buy Christmas decorations and a tree for the library. The last day of school, we took the tree along with a food and clothing hamper to a welfare family.

In mid-April we held the "Mr. Cool" contest. House kings were elected from each of the houses, and judged in three categories — talent, bathing-suit competition and self-expression. Almost 500 students were present to see Gord Johnston receive his prize, a pair of red and gold Tomcat boxer shorts. Bob Stafford was first runner-up. Bob Calendar won Mr. Congeniality, after he kissed Mrs. Smith more congenially than the other candidates did. This program was a real success and I hope it becomes an annual event.

Some of the displays featured in the showcase were football, basketball, Christmas, Valentines, "The Making of a President" (a picture history of Al Snell's life) and one live showcase in which Bill Lewis advertised the Mr. Cool contest.

In conclusion, I'd like to thank my directorates who were always ready and willing to help. We did our best to encourage school spirit by making pep rallies and showcases more fun, and to put on shows that students would really enjoy. I wish next year's directoress Nancy Nixon, the best of luck. Thank you all.

Freshie Week

Freshie Week didn't begin until the second week of school this year. Monday afternoon the freshies elected house kings and queens and then went to the auditorium to meet their S.R.C. and find out what to expect during Freshie week. Tuesday morning, at house meetings, the seniors beanied their freshies. At noon there were tricycle races out on the track. Wednesday at noon a joint S.R.C. showcase and pep rally was held in the gymnasium in order to meet this year's football team and to entertain the freshies. That afternoon, the freshies provided halftime entertainment at the football game. On Thursday at noon the freshie volleyball tournament was held. Lambda House was the winner. The freshie dance was held Thursday night. Barb Storla and Paul Broderick were crowned Freshie Queen and King.

Cheerleading

The past year at Sheldon has been one of spirit and excitement. During football season there were a few buses taking people to the games and I hope there will be even more next year.

Basketball brought a few changes and some new cheers. There was a lot of spirit at both the Senior Boys' City and Provincial finals. Best of luck to next year's cheerleaders and let's get more spirit at all games.

EDUCATION

Stuart Garven
Education Director

Education

This was the first year of operation for the Education Directorate. Our committee and several students attended the Teacher's Institute Meetings concerning the curriculum. We met with Mr. Petry and Mrs. deVlieger and gave suggestions concerning the French curriculum and evaluation of Grade 12 final marks in French. We sent a questionnaire out dealing with curriculum and gave the students an opportunity to comment on the present curriculum.

We started a committee to investigate the possibility of changing the smoking regulations but it fell through when students didn't support it. Linda Coffey headed a committee to see if girls could wear slacks to school during the winter months. The committee was successful and new regulations were adopted. Kaj Grolle and Brian McLeod were members involved from the Education Directorate in the Population Explosion Conference. I was interviewed on the Age of Aquarius Show on television and talked about the Education Directorate.

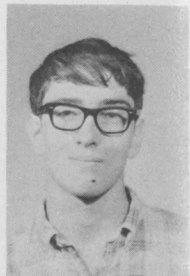

The highlight for us this year was when the Hon. J. C. McIsaac, Minister of Education came to Sheldon. He spoke briefly and then announced the changes to come into effect next year. A panel of students and students from the audience asked Dr. McIsaac questions and then there was a reception afterward to enable teachers and students to meet Dr. McIsaac.

A great deal more support could have been given the Directorate but I hope it will come as the Directorate grows older.

I would like to thank our Staff Advisors: Mr. Cochrane, Mrs. Lee, Mr. Sikora, Mr. Kitson, Mr. Russell, Miss Benson and Mrs. Smith for their time and guidance during the past year.

I wish the next committee success in all they undertake and hope the Education Directorate can succeed in its worthwhile purpose.

MUSIC-DRAMA

Music Director

Music-Drama

Carol McIver
Drama Directoress

Once again, the year has come to a successful close at Sheldon. Part of this success is due to the work and efforts of the music department.

The year started off with Sheldon's annual Fall Show. In it we featured our many music groups, along with the Highland dancers and some of Sheldon's excellent soloists.

Throughout the winter Sheldon's groups rehearsed hard and representatives entertained the Kiwanis Club, patients of the Grey Nuns Hospital, and in various other places throughout the city.

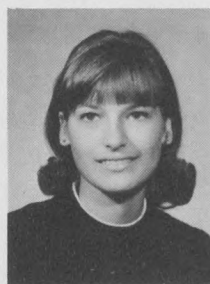

The work of our department climaxed on April 2, 3, 4, with our operetta "Annie Get Your Gun." The production can be termed as "one of the best" as far as Sheldon's operettas go and the performers played to capacity audiences each night.

This year I have learned much from my experience as student music representative and I hope the knowledge I have gained will help to make the music department more successful next year.

Sheldon has always been noted for its enthusiastic support of dramatic activities and this year was no exception. We began immediately in September with rehearsals for the House Drama Festival, presented on November 6, 7, 8. It was adjudicated by Miss Nan Reid.

The plays are chosen, directed, acted and staged entirely by the students and I would like to congratulate each house for doing such a great job. The plays, in order of appearance were:

The Dear Departed — Beta, Sunday Costs Five Pesos — Epsilon, The Proposal — Delta, Summit Conference — Omega, Couldn't I Kiss You Goodnight — Alpha, Exclusive Model — Lambda, French Toast — Kappa, The Sandbox — Sigma.

Miss Reid had a difficult time in choosing the top three winners but after much consideration decided on Sigma first, directed by Joanne Templeton, Omega second, directed by Joan Hambly, and Epsilon third directed by Colleen Kells.

Many thanks are due to our house leaders for organizing the ticket sales.

I would also like to thank the house drama representatives and Dr. Peart

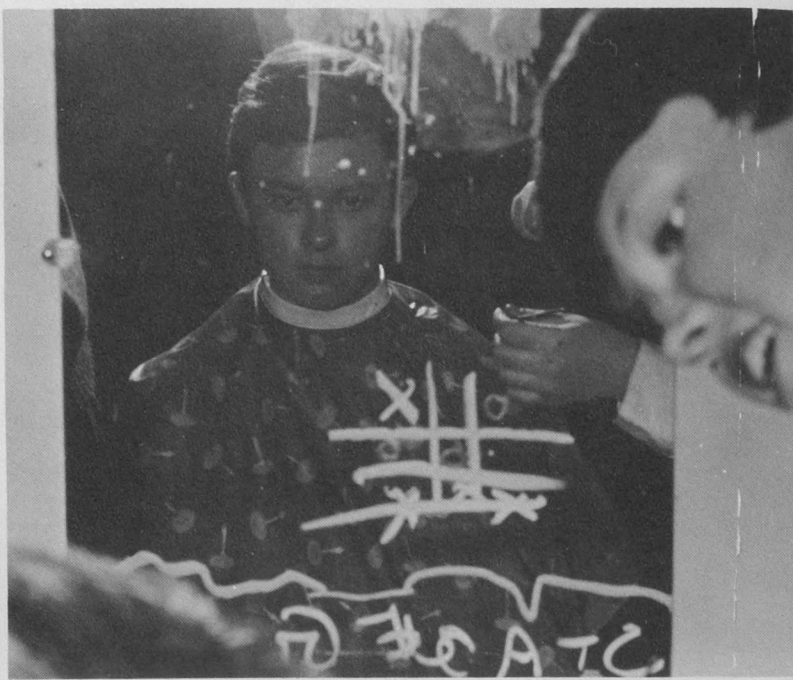

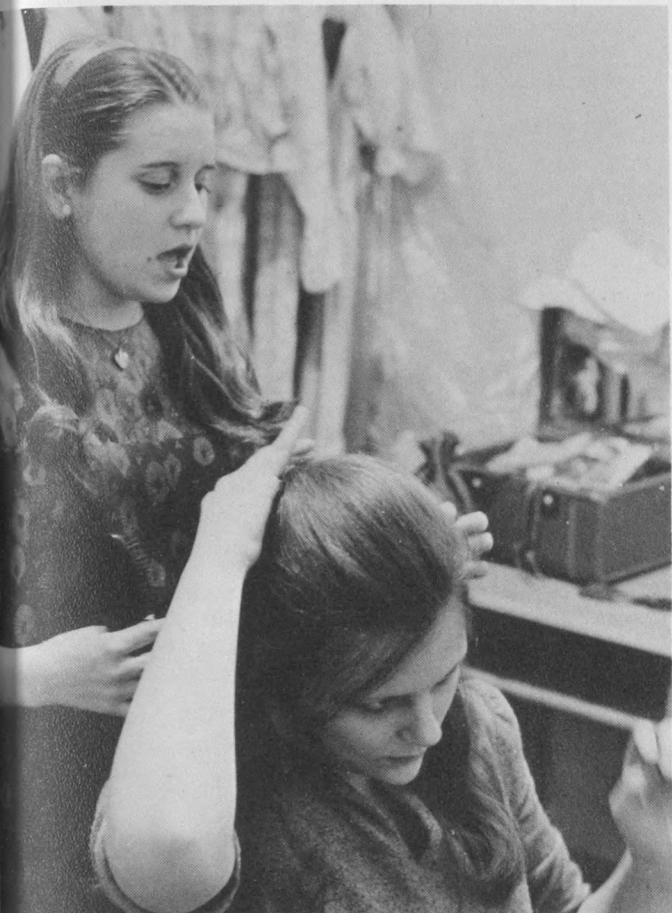

This year, again prospered with noontime culture in the form of showcases. Students discovered a good means of rousing house spirit bringing in points and just plain having fun.

After Christmas a number of students were given the opportunity to see a performance based on the theme, evolution of man, presented by the Globe Theatre. The students enjoyed this and it was given a good reception.

To next year's Drama Director and house representatives I wish the best of luck in all you undertake.

House Plays

Annie Get Your Gun

The operetta performance this year surpassed all expectations. Irving Berlin's *Annie Get Your Gun* is an example of the musical and dramatic abilities of the students of Sheldon and it will be long remembered in the hearts of all.

For any high school production to be successful requires the time and dedication of three groups who are willing to do all they can to make the final product a success. These groups are the teachers, the actors and the countless members of many crews and groups that helped with the essentials.

Many thanks are expressed to Dr. Peart and Mr. Burgess. Without them the play would never have gotten off the ground. We realize now that there were as many smiles as frowns and as many 'pats on the back' as there were reprimands and always that the reprimanding was never meant harshly, only on a moment of complete exasperation.

The combo, under the direction of Mr. Burgess is to be commended for a job well done. Thanks to Mrs. Gallagher and Joyce Riddell, our able accompanists, for giving up their time for the rehearsals. Lighting was terrific, the sets were simple and uncluttered, and along with the excellent art work the whole show was in tune with the era of that time. Credit for these effects go to Mr. Evans, Mr. McAnsh and Mr. Betteridge. All of them worked very hard for the show. Mr. Evans was also behind stage all three nights to make sure that all ran smoothly and offer encouragement to all.

Annie Get Your Gun is an entertaining play based on the true story of the famous western sharpshooter, Annie Oakley, portrayed by Darcy White. Playing opposite Darcy was Clayton Johnstone as Frank Butler. They are to be congratulated on a fantastic performance. Greg Spicer is to be commended for his portrayal of Chief Sitting Bull. The whole cast performed well, with special mention going to the efforts of Mack Skinner as Charlie Davenport, Bill Armit in a dual role of Mister Wilson and Pawnee Bill, and Carol Geddes as Dolly Tate. The other members in the cast were Lothar Hild as Mac, Lucien Sitwell as Buffalo Bill, Barb Pollock as Mrs. Schuyler Adams, Guy Patrick as Mr. Schuyler Adams and Wendy Mitchell as Mrs. Sylvia Potter — Porter. Annie's little brothers and sisters were Little Jake, Nellie, Jessie and Minnie performed respectively by Bruce Elrick, Kathy Porcina, Phyllis Woeppel and Susan Morrey. Congratulations kids!

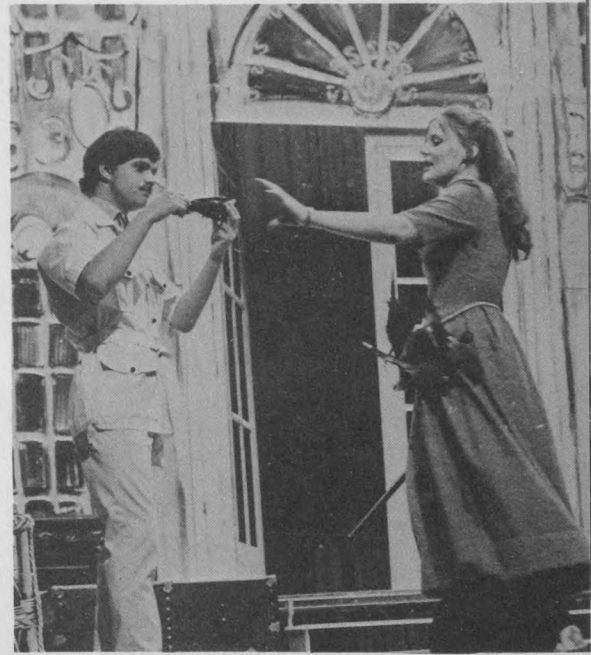

The chorus was excellent and are to be congratulated for a fine over-all performance.

The costumes and makeup of the cast were realistic and carefully thought out. Thanks go to Mrs. Smith and her costume club for all their help and to Mrs. McCracken and the make-up club for all theirs. We would also like to thank our prompter, Colleen Kells and our property girl Joan Hambly for more than just doing their jobs.

The operetta included serious work and a lot of fun. There were tears of joy over its success and many more tears of sorrow when it was all over. I'm sure that all who saw the show were very impressed with the talent and ability shown this year by the students of Sheldon-Williams.

Fall Show

Sheldonaires

This year's group was composed of Sheldon's best vocalists. Under the baton of Mr. Burgess the group sang a greater variety of pieces, ranging from hymns to the latest pop tunes. This year, the Sheldonaires made appearances in the Fall Show, the Remembrance Day service and other spots in and around Regina. With a little more support in the men's section, Sheldonaires promises to be bigger and better in 1970-71.

Combo

This year under the direction of our music director, Mr. Burgess, the combo was one of the best ever. We practiced for three months before our operetta: "Annie Get Your Gun". The combo played for three performances and three full houses. If Mr. Burgess is here again next year, the combo, already showing great promise, will be even better than this year's fine group of musicians.

FRONT ROW: Gordon Robinson, Brian McLeod, Bill Park, Joyce Ridell, Cheryl Collier.

MISSING: Bruce Edwards, Gordon Foote.

Concert Band

A school band was formed this year for the first time in several years. Although participation was slightly below par the band did some commendable work. They played several symphonic works. They also performed at the Fall show in November. Even though the group was rather small it was a start and hopefully it will be continued in the future.

Sheldonettes may have lacked quantity but they maintained a high quality of vocal music throughout the year. We participated in the Fall Show and the school Christmas Carol Concert. In the spring we visited the solarium of the Grey Nun's hospital with other music groups in the school and participated in a program for the patients. It was a highly successful and enjoyable year.

GIRLS' ATHLETICS

Jill McFarland
Girls' Sports Directoress

Girls' Sports

The year 1969-70 can be chalked up as another successful athletic year at Sheldon Williams.

The Sports season unfolded with girls' volleyball. Due to an unfortunate misunderstanding, four of our first string players were unable to play in the league this year. However, to show what our team could do, they beat Lumsden in an open University tournament. Lumsden went on to win the provincial. As it was, our team came fourth in the city. The team shows a lot of potential and promises great things next year. Many thanks to our coach, Miss Downing.

In house volleyball, Omega Seniors finished first with Epsilon capturing top spot in the Junior division.

The softball team, placing third in the city playoffs, came out with an even number of wins and losses. The team expresses their appreciation to their coaches, Mr. Cochrane and Mr. Boychuck.

Delta took the house softball division title.

We should be very proud of our girls' cross country team this year. The girls captured all three divisions for the city meets and were led by Robin Evans in the Seniors, Shelley Parr in the Juniors, and Bonnie Thorsteinson in the Midget division. Also, the Senior Girls took the trophy in the provincial meet.

The Senior Girls' Basketball team had a near perfect record in the 69-70 season, capturing the city and South Sask. titles as well as two tournaments. The girls won the coveted Miss W. Downing trophy at the C.I.T. a first for Sheldon. After an exciting provincial final, however, Sheldon lost to Nutana, Saskatoon by one point.

Congratulations go to the girls, and Miss Downing, their coach.

The Junior girls' team, coached by Miss Sandy Houston, had a fairly good season, placing third in the city.

In house basketball, Alpha Seniors and Epsilon juniors took first place.

Our girls curling team, skipped by Barb Pollock, did exceptionally well this year. After capturing the West City title, the girls went to the provincial where they came up against some tougher competition and lost out in the best out of three city playoffs against Campbell, Sheldon lost in the second and third games.

The position of Girls' Sports Directoress has been a challenging yet very satisfying one this year due to the fact that I have very keen and capable sports reps to assist me. My sincerest thanks also go to my advisors, Miss Downing and Mr. Aston.

This year's team had the potential to take the provincial championship, unfortunately we lost by 1 point in the final seconds of the final game. It was an anti-climax to a fine season. The league record was 15 wins and no losses, the record for the year was 27 wins and 3 losses.

We attended 3 tournaments and placed first in 2 of them. We won the city and South-Sask. championships.

Only 3 people are graduating from the team, so next year's team should be even better.

We would like to thank all our supporters and we hope even more will support next year's team.

Junior Girls' Basketball

The junior girls this year had a fairly successful season. We ended the year tied for fourth place with three other schools. In the Marian Invitational Tournament we lost a close first game to Miller, won the second but lost in the consolation final to Thom.

The spirit on the team was great and appreciation goes to our coach, Sandy Houston and captain Moira Moxley.

Even though the team lacked experience, as we only had four players back on from last year, we all had a successful year.

BACK ROW: Nancy Copeland (manager), Shirley Templeton (manager), Kathy Peterson, Elaine Wray, Bonnie Thorsteinson, Shirley Taylor.

Girls' Volleyball

This year the team, with eight holdovers and five promising rookies, started the season very well. They were undefeated in league play but due to unforeseen circumstances, four first stringers were declared ineligible. This left the team somewhat weaker in experience but they finished the season fairly well. Fortunately the whole team was allowed to play in the University of Sask. Invitational Tournament. There the team was undefeated and in the final beat Lumsden, who later won the provincial. I'd like to congratulate this year's team for an excellent effort and thank Miss Downing for her valuable coaching. The graduates wish next year's team all the best and if all potential is used, predictions indicate that Sheldon should again have a strong winning team.

Robin Evans

Girls' Softball

This year, under coach Boychuk, the girls softball team experienced an average season with a record of five wins and three losses. Although the team has many young members, with a little more hard work and perseverance, Sheldon could have a championship team. More girls are needed for the team and a definite increase in fan support would help. The team appreciated the able coaching of Mr. Boychuk and George (alias Mr. Cochrane).

BACK ROW: Brenda Barbour (manager), Lynn Cronk, Holly Evenson, Morlene Cohen, Wanda Drew.
SECOND ROW: Wendy Mitchell, Rhonda Booth, Kathy Peterson, Mr. Boychuk, Pam Booth, Janice Robertson, Bonnie Thorsteinson.
FRONT ROW: Karen McLeod, Robin Evans, Mr. Cochrane, Rene Robertson, Laurie Thorsteinson.

Girls' Cross Country

As usual the girls' team dominated all the city races by winning all three division team and individual titles. "Tiger" Bonnie Thorsteinson led the midget girls with a perfect season, "Super Shell" Parr won the junior action while "Little Robin Red" Evans topped the seniors with a perfect season. Bonnie won provincial honors in the midget division at Kamsack while Robin captured the senior title. The Regina West Senior Team won the provincial team title. Congratulations to every one who participated, however, more girls will be needed to keep up Sheldon's outstanding record.

BACK ROW: Karen Booth, Alex MacPherson, Jane Snell, Zora Cooper, Jan Tuepah, Denise Bean.
FRONT ROW: Bev Dow, Bonnie Thorsteinson, Robin Evans, Shelly Parr, Moira Moxley, Sheila Molson.

Girls' Curling Team

The Sheldon Girls' Curling Team are the 'West Regina Queens' for 1970. The team skipped by Barb Pollock, third Linda Koster, second Janice Koster and lead Raye Slager met Campbell for the city title. Although the girls made a great showing in both the city and provincial competitions, ultimately they were unsuccessful. However, thanks goes to Miss Marilyn Pollock for her excellent coaching. Better luck next year, girls!

Rae Slager, Janice Koster, Linda Koster, Barb Pollock

Saturday Curling

The interest and enthusiasm in this year's turnout was much improved over that of last year's, but it could be better! A playoff was to be held and prizes given out, but due to the lack of co-operation and the decrease in participation, it never was held. A lot of time and energy was given by our coach and instructor Marilyn Pollock and she deserves many thanks! We'll try again next year, and hope for more success!

Both Donna and Neil also won the sectional championships.

BOYS' ATHLETICS

Rod McLeod
Boys' Sports Director

Boys' Sports

For Sheldon, this has been a good year for athletics; a very good one. Starting off the year was the football season. After winning the highly coveted city championship last year, the team slowed down quite a bit. It's a young team with a lot of talent and with an able coach Mr. Young, Sheldon fans can look forward to nothing but a real fight next year.

As has been the case for the last three years, Sheldon's cross-country teams wiped out all competition by winning 6 of 6 division titles: Senior Boys', Senior Girls', Junior Boys', Midget Boys', Midget Girls' and Junior Girls'.

For several years now, Sheldon has been recognized as one of the top basketball schools in the province and possibly in Manitoba and Alberta as well. This year was no different. Under the guidance of Mr. Aston, the boys won the Bedford Road Invitational Tournament in Saskatoon, placed third in the L.I.T., then went on to win the city, the South Saskatchewan and finally the provincial title by defeating Bedford Road by one point. A very impressive year and I'm sure the boys have the thanks of the entire school.

As this year comes to a close, I would like to thank all those who have helped me in my job. My special thanks to Mr. Aston, Miss Downing, Mr. Young, Mr. Sikora and all the boys' athletic representatives for everything they have done.

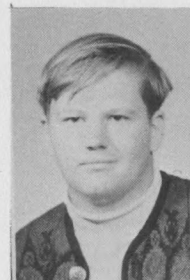

It seems that every year now, the students of Sheldon are taking winning more and more for granted. In Senior boys' basketball for instance, how many of us knew that Miller had an almost identical city record, right down to the points for and against. In my mind that is far from an upset victory. Yes, the Senior Boys' actually lost games right here in Regina. Unbelievable? No, not really; one loss to Miller during league play and another in the second game of the city final, also against Miller. In both games lack of fan support was very noticeable. The same thing occurred in the football season. It is only through fortitude and determination that our teams come through. The athletes on these teams deserve, if nothing else, fan support. It's going to be hard for our teams to win every year so get out and yell your heads off for them — OUR teams!

To the students of Sheldon, the best of luck in the years to come, especially to all those graduating this spring.

Senior Boys' Basketball

Sheldon continued to have a successful basketball team this year. When the season started we were an untried and untested team. As the season progressed it became apparent that we were winners. We ended the year with a 17-1 record, then won the city championship in a best of three play-off against Miller. Sheldon won the B.R.I.T. in Saskatoon, came third in the L.I.T. and won the University tournament. Our greatest thrill was a dramatic 1-point victory which clinched the Provincial Championship for the second year in a row. Three players from this year's starting team will be leaving this year. The players that take their place will give the team a new and exciting character. I advise "everybody" to get out and support the team!

Peter Bailey

BACK ROW: Dale Logie, Kurt Pelzer, Bob Herbison, Wayne Thomas.
SECOND ROW: Jerry Borland, Jamie Campbell, Rick Johnson, Bill Morrow, Jim Ferguson.
FRONT ROW: Neil Jacoby, Peter Bailey, Mr. Aston, Glen Bruce, Wes Britton.
MISSING: Paul Broderick.

Junior Boys' Basketball

The junior Spartans had one of their more productive seasons this last year. Led by the coaching of Mr. Sikora and part-time help from Bob Vinson, Ken Traynor and Al Northcott, our boys ended up with 10 wins and 2 losses in league play, good enough for second place.

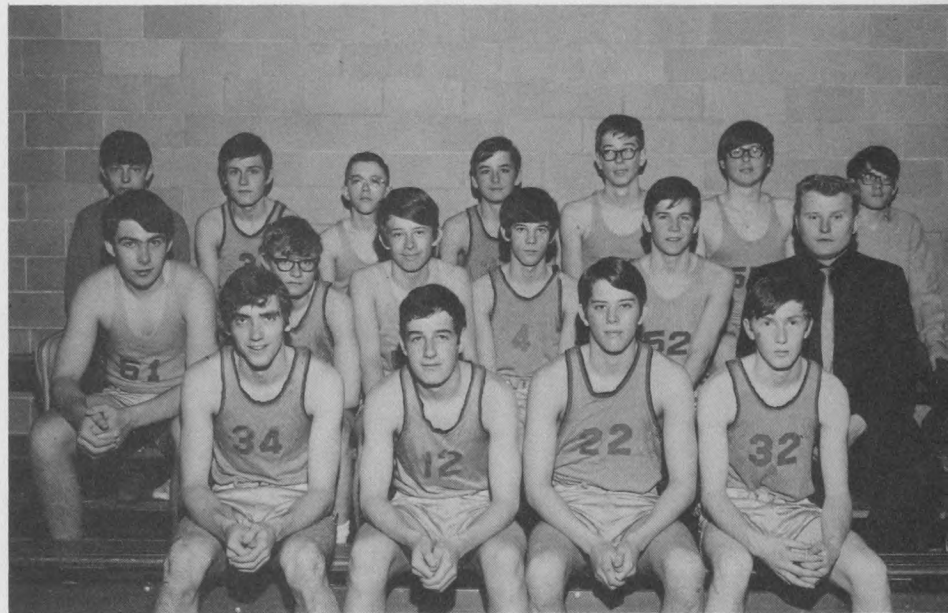

The boys placed many close games winning by only a few points. Their first overtime game was at Thom which Sheldon won. The next overtime game was at Balfour and the boys lost by one point. The second loss came at the hands of the City Champions Martin Monarchs.

The boys were hosts of the South Sask. Jr. Boys' Basketball Tourney. They defeated the Moose Jaw Central Celties and met the Regina Central Gophers next afternoon. The Gophers emerged victorious and our boys advanced to the consolation final against the O'Neill Titans. However, our boys lost again in a well-fought battle.

In the City play-offs the boys met the O'Neill Titans in a sudden death semi-final game at Sheldon. The game was very close from the opening tip off but after two periods of overtime our boys were defeated by 4 points.

Thanks should be given to our coach, our managers, Mr. Aston and to all the loyal Sheldon fans who came out and supported the Junior Spartans.

Byron Howlett

BACK ROW: Garth Mang, Bill Park, Doug McCaw, Peter Broderick, Mervin Phillips, Mike Hodson, Grant Hood.

FRONT ROW: Don Shillington, Dale Logie, Wes Britton, Wayne Thomas, Steve Mazarak, Bob Stafford.

Boys' Cross Country

This year's cross country teams were very successful. In past years, Sheldon has dominated the sport and this year was no exception with Sheldon winning all three divisions.

Rod McLeod, Clint Uhrick and Eric Griffith each won their Divisional titles.

Thanks to Coach Aston, Sheldon was again well represented in cross country and made this year a very good one.

BACK ROW: Jim Park, Dale Logie, Neil Bailey, Doug Molson, Meldon Kahan, Jim Ferguson, L. A. Aston (coach).

SECOND ROW: Mike Hodson, Len Usick, Daryl Vancise, Bill Thompson, Greg Ellis, Doug McCaw, Terry Tuepah, Stuart Mussels, Brian McLeod.

FRONT ROW: Martin Haskins, Jack Kindrachuck, Clint Uhrick, Eric Griffith, Rod McLeod, Don Hiperson, Lyle Howlett, Jeff Bradick.

MISSING: Ralph Light, Harry Miller, Peter Bailey, Bill Morrow, Paul Broderick, Mark Haskins, Jack Aldcorn.

Dick Smith, Jerry Lamontagne, Terry Hendrickson, Don Eley.

Boys' Curling Team

The team started out by winning the first three games in the city playdowns only to lose the fourth game. The fifth game was won, thus forcing a tie with Scott for the second year in a row. Scott won the tie breaker 7-6.

Gymnastics Club

The Gym Club enjoyed a great increase in attendance this year as the girls came out for their first year in the group. Members made good use of the school equipment with particular interest in swinging rings and vaulting.

Although everyone enjoyed the informal practices every Friday at noon, there is a possibility of a more organized program for next year with the advent of intercollegiate competitions. For this we would appreciate greater attendance by the senior students.

A word of thanks goes to Mr. Cochrane for faithfully showing up for every practice.

BACK ROW: Mr. Cochrane, Victor Boyachuk, Ross Smith, Ron Puto, Howard Hincks, Shirley Taylor, Susan Milliken, Sherry Booth, Patti George, Jacqueline Michell.

SECOND ROW: Bob Hain, Ian Mackay, Mike Drope, Gregg Rodgers, Terry Sawchuk, Jeff Bristol, Gilbert Smith, Jeff Braidek, Sharon Morrow, Betty Green, Lauralee Park, Karen Ronnie.

FRONT ROW: Brian McLeod, Larry Lockhard, Garnet Garven, Bob England, Grant Hood, Gregg Ellis, Gordon Robinson, Susan Asquith, Susan Wahn, Cindy Robins, Carolyn Ganshorn, Wendy Mitchell.

MISSING: Bob Stafford, Peter Boyd, Kim Swalm.

Football 1969

Compared with their championship season in 1968, the Sheldon-Williams Spartans had a dismal year. They finished with a record of 3 wins and 7 losses.

However, the Spartans were not so bad as their record indicates. They always played an exciting brand of football and were in all the games until the end of the season when they realized they were out of the playoff picture and let down.

One thing that the Spartans improved on over last year was fan support. Sheldon has seldom been noted for team support but the football team drew quite a few fans out for its games despite adverse weather conditions for some of them.

The football season came to a climax with the football dance in which Wayne Thomas was selected Mr. Football by his teammates.

BACK ROW: Doug Molson, Alan Sandalack, Fred Howard, Bill Park, Brian Strachan, Steve Norman, Les Sebesteny, Frank Sebesteny, Pat May, Bryan Matlock, Bill Schmidt.

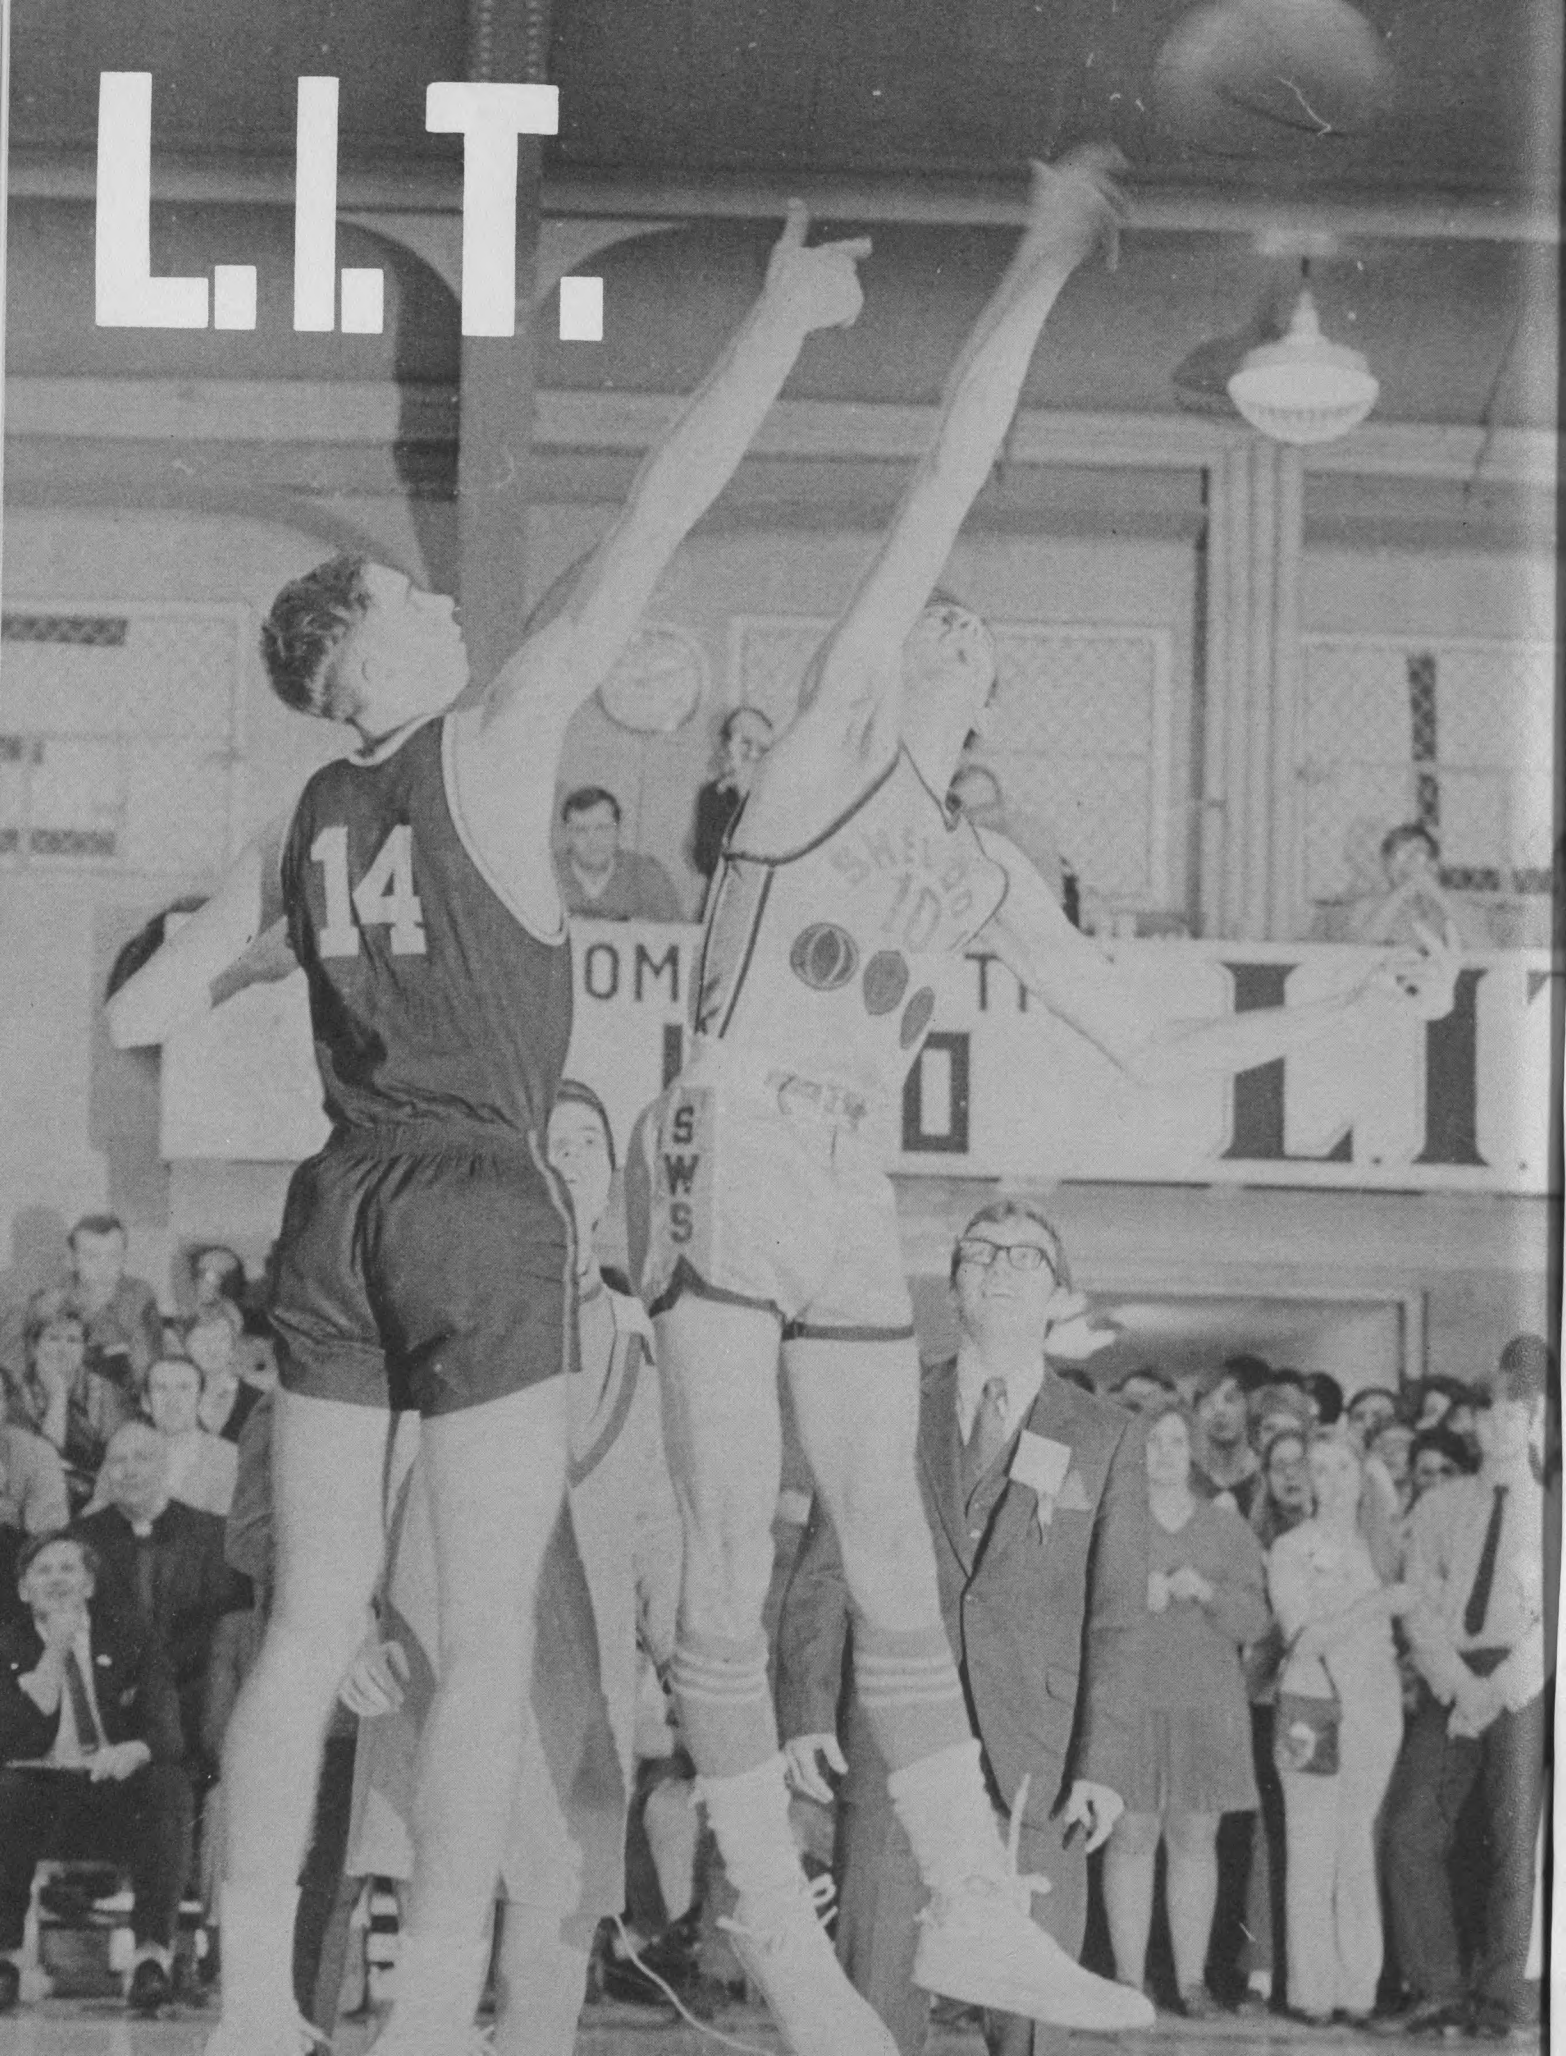

THIRD ROW: Graham Wood, Bill Armit, Steve Mazurak, Alan Huber, Jack Fulton, Howie Ross, Tom Rice, Rich Preston, Bob Stafford.

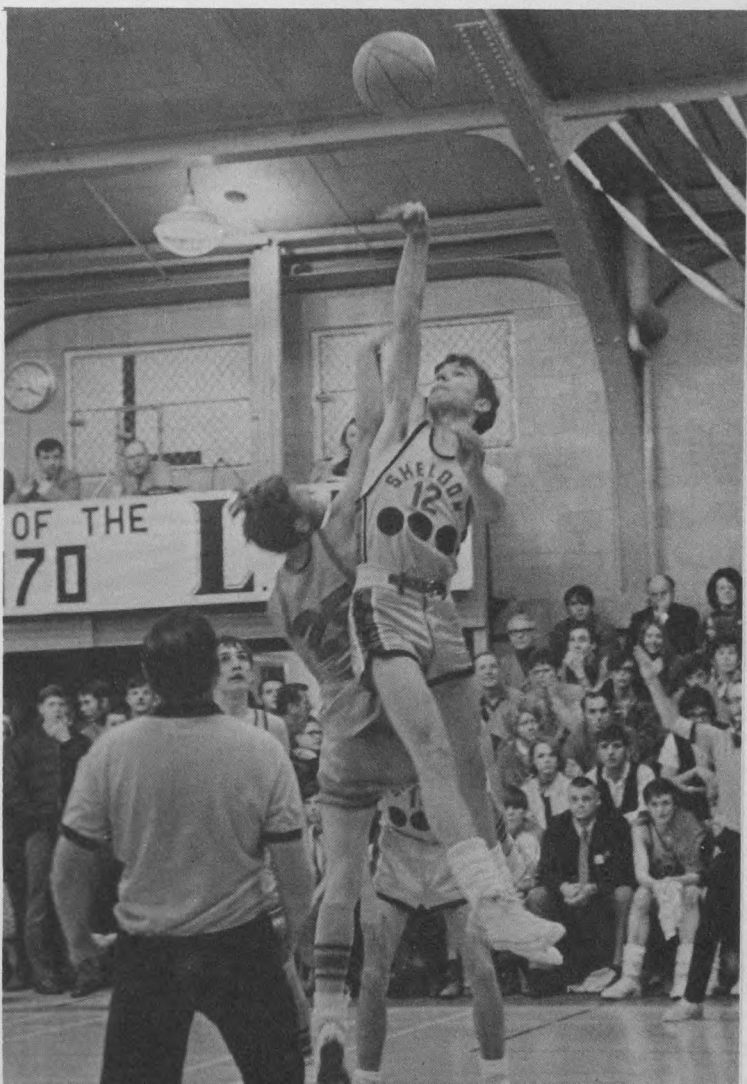

SECOND ROW: Terry Paton, Kirk Schwartz, Dave Miller, Jack Aldcorn, Dave Walsh, Mike Wood, George Rathwell, Ken Amendt, Jim Park.

FRONT ROW: Blair Stadnick, Phil Cook, Jim Bailey, Don Haug, John Broderick (coach) Grant Becker (coach) Alex Young (coach), Tom Jamieson, Lindsay Pomeroy, Terry White, Bob Gebhard, Wayne Thomas.

UPON LOOKING INTO REGINA'S TELEPHONE BOOK

Have you ever looked into our 'Phone Book
And studied the many names,
Of peoples and places and all sorts of races,
And names that have led to fame?

I was wondering what would happen
Should some of these people meet,
The Savage and Proud, the Hastie and Quick,
The Wise, the Dummer, the Meek.

Suppose we went to a banquet,
Let's see who we would find,
The Kings, the Bishops, the Lords, the Knights,
And many more of their kind.

Hello Mrs. Stone, Mr. Wood, Miss Steel,
Good-day and how are you, Miss Cap?
There's the Finchs, the Crows, the Sparrows and
Eagles,
The Fawcetts, the Plummers, the Tapps.

Mr. Plymoth, Miss Chrysler and Miss Austin
All came here with the Fords,
I see Mr. Penny, Miss Nichol, Miss Crown,
And also the Hamers and Boards.

Introductions are over and everyone's seated
Waiting for the food to come on,
There's Beans and Pickels, Lamb and Rice,
And a cake of tasty Chiffon.

It's now getting late and time to depart,
So we'll say good-bye to these folk,
See you soon Mr. Farmer, Miss Baker, Miss Parson,
Good-bye to you too, Mr. Pope.

Now that all these people have left,
And there's only just you and me,
We can be thankful that our names are not
Like any one of these.

However, it could be worse by far,
As you will very soon see,
What if you had a name like these,
Szuchewycz, Czeckiewicz or Joachimowski?

THE APOSTLE

Have you ever seen somebody die?
No? Oh you are lucky!
Lucky that you have never seen a man fall,
Hunted, shot down like an animal,
That you have never seen his blood dribble on the
snow.

It is beautiful you know,
Red blood . . . white snow.
He falls like a beast.
Surely you have seen a deer shot?
Or a mad dog?
He falls just the same —
Only this time it is a man.
His hands grip the earth —
Reality . . . which he does not want to leave
His hands search.

They cling to the earth with such a force
That his knuckles turn white.
Feeling the terra brings him back —
Back from the misty, shadowy road —
Back to life — but only for seconds.
His body trembles as if charged with electricity . . .
Convulsing, twisting —

His face changes . . . fright comes over him;
The gates of death are closing
He looks at you . . . begging you . . . Help me!!
But you are helpless!

There is nothing you can do . . .
Only see the gates close —
His arm goes up once more, fingers outstretched
The crimson flower on his chest is blooming.
You can see him reaching for the gate;
But the gatemen are merciless
The heavy gates close with a bang.
His body goes limp . . . as if he had no bones,
The gurgling sound in his throat stops,
But his eyes remain open . . . staring . . .
Flashes of fear, hate, guilt go through you,
. . . you feel sick.

Not because of him . . . he does not disgust you,
He is celestial, serene, beautiful.
You did not help him —
You could not help him —
You guilty world!!!

CONFLICT

The man was sitting with his back against a vast tree trunk in an open place on the big ridge. It lacked cover, and was really too bare of underbrush for proper concealment, but with the sun risen, any movement could bring a volley of rifle shots.

It was a clear October morning, frosty, but promising to warm up later. Most of the timber on the ridge was oak; their fallen leaves formed a smooth blanket over the forest floor. Their dusty sweet smell mingled with the chill and made him feel glad to be alive. His gun was cradled in his lap, and he was straining to hear any sound to betray the presence of his prey.

Suddenly the silence was shattered by a shot, and a few seconds later another rang out. The rifleman wasn't sure which direction the shots came from, but decided the source was over the ridge. The next thing he heard was something crunching through the dry oak leaves behind him. It seemed to take an eternity for him to turn his head and body without making any noise. Finally in position he peered cautiously around the edge of the trunk he had been leaning against.

He couldn't believe what he saw, for there walking slowly down the slope 15 or 20 yards away was a magnificent buck. The polished brown lines of his enormous back glinted softly in the morning sun, and his ears flicked nervously about trying to hear his assailant. He stopped for a second and looked back up the ridge, then he turned and continued on down through the trees. The buck took a few more steps and hesitated before starting down the leaf strewn road.

The man raised his gun, flicked the safety off, and leveled it on the deer's shoulder. Just as he was about to shoot he stopped and in his mind's eye he saw the buck thrashing in the leaves, his blood staining them and then coughing and wheezing as he spewed bloody foam from his lungs. The man lowered his gun, and the buck continued down the road, and soon was lost from his sight.

He slowly got to his feet, took a deep breath, expelled it with a sigh, and headed back to his truck.

As he shuffled through the leaves he began to whistle.

Issue one was rather tame this year; it didn't carry on with the hard-protest-politics of last year — "you seem to be laughing at yourself — protesting yourself" rather than advocating and guiding and helping in changes in Education. Issue two continued in this vein, and was much better at it. But that was as far as we got in this vein.

Then, 'round about Issue three, which took forever, and when it did come out was illegible, we seemed to run into intangible hassles wherever we turned. This psychological harassment almost caused the paper to fold. We got very paranoid. Issue three was the only one in four and a half months.

We came back and with Issue four we managed to cause a stir. People said it was, "flippant" or "esoteric" or "indulgent". We were just being creative I say.

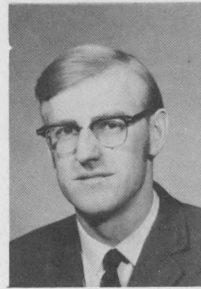

Well, with Issue five and Issue six (the election candidates' platforms) we streamlined to fight Student Apathy. We're doing Issue seven now, and we figure to continue just what we do.

Typing was certainly a chore this year. We had a lot of trouble running our Gestetner until some bolts fell out and it worked fine.

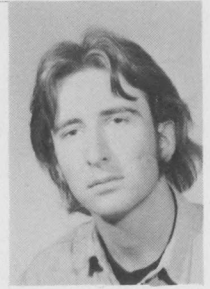

Phillip Syde (cream of transistors) and J. W. Wildman (humour sampler) columns were popular as far as I know. Sports coverage was spotty; music-movies coverage was good considering space limitations. We didn't do much enthusiastic coverage on high school events and pep clubs, because of a flaw in our character. We weren't much good at being a focal point for student rebellion (except in a general way). We just weren't **militant!**

Over all it's been a good year. I know it because I've seen just how it could have been a lot worse.

Opus 1969-70

Once again, another year draws to a close and we, the yearbook staff, present to you Opus '70. This past year, for me, has been one of challenge and unique experience and as editor I have come to realize how much work and responsibility the creation of a yearbook entails. With the help of my staff, improvements have been made and new ideas tried. Much planning and hard work has gone into this book and I hope that we have created for you a worthy account of 1969-70.

In these pages are mirrored the intricate workings of Sheldon-Williams Collegiate — its successes and failures, and the very spirit which keeps this school alive; all of which depends entirely on you, the students. You have made Sheldon what it is with your enthusiasm, participation and achievement in all types of activities in the school and community. Therefore, this book is not the creation of the Opus staff, but rather one of the entire student body. You have supplied the material and we have merely observed and recorded what you have done. Opus '70 is your book — a reflection of you, the students and lifeblood of Sheldon-Williams.

I would like to give special thanks to Brenda Brindle who worked long, hard hours and did an excellent job as assistant editor. Also, thanks go to our staff advisor, Mr. Macfarlane, for all his help and advice, and generally to all those who contributed to the book's production. I wish luck and success to next year's editor and staff and hope that our efforts this year will prove rewarding.

CLUBS

Service Club

This year was a busy one for the Service Club. Besides helping at house plays, operetta, senior prom, the freshie dance and football dance, we coatchecked at most of the events which took place in the auditorium. We still haven't decided to which charity we will donate our proceeds. On behalf of the students in the Service Club I would like to thank Mrs. deVlieger, staff advisor, for the time she spent helping us.

BACK ROW: Elaine Ashdown, Nancy Tyerman, Grace Crossley, Lorna Meek.

FRONT ROW: Lynn Cronk, Lori Brotheridge, Linda Koster, Joddy Hannah, Deanna Greenman.

Heibs

In September 1969, the Grade XI Home Economics students of Sheldon-Williams Collegiate were granted approval to undertake a project that would supply the necessary funds for a trip to Winnipeg in the spring 1970.

With this as their objective — 40 girls elected a committee to direct and plan the fund raising projects. Group activities included catering for noon lunches, other activities at the collegiate and bake sales.

Spring 1970 saw the realization of the efforts and trip to Winnipeg took place in April. 32 girls with the two home economics teachers Mrs. Ferguson and Mrs. Smith as supervisors spent three days in Winnipeg. The purpose of the trip and tour was to enable the students to compare social and physical environments of the two cities.

Tours of the School of Dentistry, College of Home Economics, the New Civic Center and a city wide tour were the main points of interest.

BACK ROW: Joan Crawford, Pam Walker, Joan Berry, Heather Neill, Joan Hambly, Shirley McCrum, Lois Hoffarth, Lorraine Neisz, Donna White, Joanne Templeton.

MISSING: Backy Faber, Snirley Templeton, Diana Popp, Maureen Graham, Cathy Williams, Rositta Bruan, Mrs. Ferguson.

Gourmet Club

Once again we enjoyed two terms of riotous feasting. One term was from September to January and the other from February to May. The main purpose of the club was to help us learn to prepare, then eat full course meals. Again one of our main jobs was to prepare a meal for about 50 students participating in SCUNA IV. At this point I would like to thank our advisor, Mrs. Smith, who had to put up with our inadequate knowledge around the kitchen. If you enjoy cooking, then eating your creations, I would strongly advise joining this fabulous club next year.

BACK ROW: Peter Bailey, Greg Pinch, John Grigg, Jim Park, Wayne Thomas, Garnet Garvin, Lee MacKay.
SECOND ROW: Neil Jacoby, Barb Barootes, Bill Morrow, Terry Tuepah, Stu Garvin, Benaron Gleiberman.

FRONT ROW: Carol Geddes, Debra Hutchison, Gordon Robinson, Grant Hood, Saul Lipton.

Science Club

The science club met on Thursday afternoon this year with a stronger but still not overwhelming membership. Members worked on individual projects and gave reports on these. Also we ordered films which were shown on the fourth Thursday of every month. In addition several field-trips such as the one to the Meteorological Branch of the Dep't of Transport were enjoyed by our group. Special thanks to Mr. Zuck for all the help he has given us in planning our program and for the time he has donated to work with us.

BACK ROW: Lorna Meek, Cathy Fisher, Janice Lake, Lori Brotheridge, Elaine Ashdown, Diane Lake, Donna Ellingham, Heather Forsythe.

FRONT ROW: Barb McLeod, Wendy Stoddart, Kathy Ruecker, Mrs. Smith, Susan Inglis, Keren Ganshorn.

Costume Club

The Costume Club looked after the costumes for the operetta again this year. Most of the costumes were made by the members but some were borrowed from the Regina Little Theatre. We also worked backstage on the nights of the operetta handing out costumes and helping where needed.

Barb McLeod

Make-up Club

This year's make-up club was fairly successful and we participated in House Plays and the Operetta. Although participation was good for the House Plays, it was rather scant for the Operetta. We hope to have more grade nines and tens next year.

BACK ROW: Brian Murray, Greg Kraminsky, Bob Gebhardt, Bruce Johnston, Colleen Kells, Bev Ballou, Donna Johanson.
SECOND ROW: Bev Brotheridge, Lorna Tate, Barb Dahl, Cindy Fritz, Lorna Meek, Maureen Graham, Carol McIver, Arlene Reed, Dona Callum.
FRONT ROW: Wendy Stoddart, Kathy Reik, Joan Whitton, Cindy Wingert, Cathy Williams, Virginia Young, Margie Browne.

Masquers Club

This club involved approximately 12 members and met every Tuesday for about 45 minutes. The club members worked mainly in the area of creative dramatic expression, and some of the activities included concentration exercises, pantomimes, story making based on music, bodily expression and control, and situation interpretation and portrayal.

BACK ROW: Eric Griffith, Bill Stoddart, Kelvin Erhardt, H. J. Girgulis.
SECOND ROW: Ruth Gullahar, Lorelee Park, Dianne Patterson, Betty Green, Joan Hambly.
FRONT ROW: Patti Joorisity, Sharon Morrow, Ann Solomos.

Art and Set Design

Believe it or not, there is an Art Club! It occasionally is alive and residing in room 19. Our unofficial name is "The Art of Communication Department". We decorated for the Grub Dance, prepared and mounted several exhibits of student art work, sponsored a display of Tony Only prints, visited the Art Departments of several other schools, participated in SWAMP field trips and showed Thursday noon hour films during the cold season. Our membership is entirely informal with an organizational committee of twelve and a following of fifty or more who attend meetings. Our faithful dozen successfully designed and painted sets for this year's operetta. It's hard work but a lot of fun!

We welcome anyone who wishes to do some art work or simply talk about issues. There is always a handy ear and a stock of originality around.

BACK ROW: Richard Waugh, Mr. Betteridge, Howard Arndt, Grant Garven, Saul Lipton, Bob Hain, Mr. Evans.
SECOND ROW: Bill Schutzman, Bert Weichel, Diane Hutchinson, Cheryl Monet, Holly Mise, Bev Ganshorn.
FRONT ROW: Grant Hood, Laurie Alberg, Debora Hutchinson, Florence Dusterbeck

Camera Club

The club had quite a successful year. Most of the members regularly made use of the school darkroom. Instructions in cameras, printing, developing, and enlarging were given. The club supplies all the candids for the yearbook each year. As well, each member processes his own pictures. This year the club presented several picture showcases and supplied student cards to those who had lost theirs. All in all, it was a good year for the club.

BACK ROW: Bob England, Bill Berry, Tim Sundquist, Saul Lipton, Mr. Olesen.
FRONT ROW: Howard Arndt, Joyce Riddell, Keith McLeod, Liz MacIntosh.
MISSING: Hiroaki Izumi, Ian Tulloch, Brian Morrow, Roland Booth, Dan Shapiro, Jeff Braidek.

Lighting Club

The members of the Lighting Club are responsible "pour allumer" the auditorium for the various school creations and many other extraneous productions. These include Little Theatre, concerts, variety shows, Plain Talks, etc.

Praise be onto Mr. Olson, our staff advisor, and also the janitorial staff who assisted in times of darkness.

Projection Club

The Projection Club is to train students in the operational procedures of the audio-visual equipment in the school. The members are taught how to run 16 m.m. projectors for teachers and classes and how to use other duplicating equipment in the school.

Language Club

In the Language Club we learn a different language (or languages) but that's not all. We have fun, too. That's right! Learning a language can be fun and it's even better when someone else you know is learning the same language. It's not hard, either. You work at your speed. You have no "home-work" unless you decide to give yourself some. There are no exams and you don't have to finish the course. You can switch to others if you want. There are records and books as well as tapes and texts. So far our club offers Spanish, Italian, German, Russian, French and Esperanto. If you want to learn a different language, we'll help you get texts and tapes from the U.N. Our headquarters is the language lab on Thursdays at 12:30 P.M. You can join at any time. All you need to qualify is interest and a bit of enthusiasm.

Carol Geddes

LEFT TO RIGHT: Carol Geddes, Florence Duesterbeck, Diane Howlett, Mr. Petry (staff advisor).
MISSING: Beverly McDougall.

Public Speaking Club

It started in October and was held on Monday at 12:30. This year it was more of a discussion group than a Public Speaking Club. One girl, Grace Crosley, entered the Bryant Oratory Contest and made a good showing with a speech on Advertising.

We had discussions on Religion, Teachers, and Educational values and methods. There was also, to say the least, a very interesting debate on abortions. Mr. Cochrane was staff adviser.

Tom Woodhouse

BACK ROW: Barbara McLeod, Mr. Cochrane, Garnet Garven.
FRONT ROW: Tom Woodhouse, Allan Kirk.
MISSING: Ralph Light, Merv Phillips, Grace Crossley, Bob Hain, Candy Atkey.

Bowling Club

The Bowling Club had seven five-man teams which bowled regularly throughout the year. The Sheldon-Williams Bowling Club challenged Martin Collegiate to a tournament which was enthusiastically participated in. The season ended with trophies awarded to the top team, the girls' and boys' high double and high single games.

We would like to thank our staff advisor, Mrs. Battiste, for all her assistance.

U.N.E.S.C.O.

This year U.N.E.S.C.O. had a very successful year with good participation by members and students of this school.

The first activity that our committee took part in was the national U.N.E.S.C.O. conference was pollution, and Sheldon was represented by five delegates.

Our biggest project of the year was the undertaking of the 100 Villages scheme. Sheldon-Williams students took part in a Starve-Inn, and through these efforts managed to raise \$2200.00 to aid in Ceylon education. Because of this large amount Sheldon has been able to sponsor four villages, and it is hoped that correspondence will be carried on with them next year.

The U.N.E.S.C.O. committee next took part in a television show on the "Age of Aquarius". The theme of the program was pollution and once again the members demonstrated their abilities.

This year Sheldon had an opportunity to send delegates to Japan for a cultural visit and to take in Expo '70. Jane Grigg, Moira Moxley and Bev Dow have been chosen to represent Sheldon on this tour.

BACK ROW: Holly Evenson, Kathy Ruecker, Barb Pollock, Brenda Brindle, Linda Koster, Denise Griffin, Judy Milliken.
SECOND ROW: Joddy Hannah, Lori Brotheridge, Jane Grigg, Janet Crosby, Bev Dow.
FIRST ROW: Terry Tuepah, Allan Snell, Lothar Hild, Don Chatwin.

S.W.A.M.P.

Sheldon's extra-curricular Biology Club definitely had the interest and support to warrant its continuation into the '69-'70 school year. Mr. and Mrs. Somers' assistance outside Sheldon and Miss Benson's, Mr. Betteridge's and Mr. Smith's assistance as staff advisors proved more than sufficient in organizing a couple of field trips. As well, they supported the Population Explosion Conference. We also revisited the town of Silton for an interesting talk with Mr. Simmons and plan to co-operate with the Biology Dept. on their 'Big Muddy' field trip. A canoe trip, involving SWAMP members from Sheldon and Scott, is also being planned for July 1-7, '70.

BACK ROW: Colleen Kells, Bert Weichel, Dave Barbour, Wayne Thomas, Keith McLeod, Howard Arndt, Kim Kennedy, Greg Harnett, Diane Ahlberg, Bev Ganshorn, Susan May, Cathy Ellis, Susan Smith

SECOND ROW: Miss Benson, Cheryl Kinney, Liz MacIntosh, Joyce Riddell, Fay Hutchinson, Ken Evans, Lorna Tate, Cindy Fritz, Bev Brotheridge, Barb Dahl, Susan Cook, Susan Hislop, Keren Ganshorn, Wendy Hislop

FRONT ROW: Rick Waugh, Kaj Grolle, Carol Geddes, Debbie Hutchinson, Sherry Monette, Holly Mise, Susan Wahn, Barb McLeod, Patti Richter, Wendy Stoddard, Judi Milliken, Reta Johnson

MISSING ROW: Mr. Betteridge, quite a few.

Scuna IV

The fourth annual Sheldon-Williams United Nations Assembly went quite well this year. The theme was "Man's Aggressive Nature", dealing specifically with the Arab-Israeli crisis. Most who attended the conference thought it was short, but very good.
